

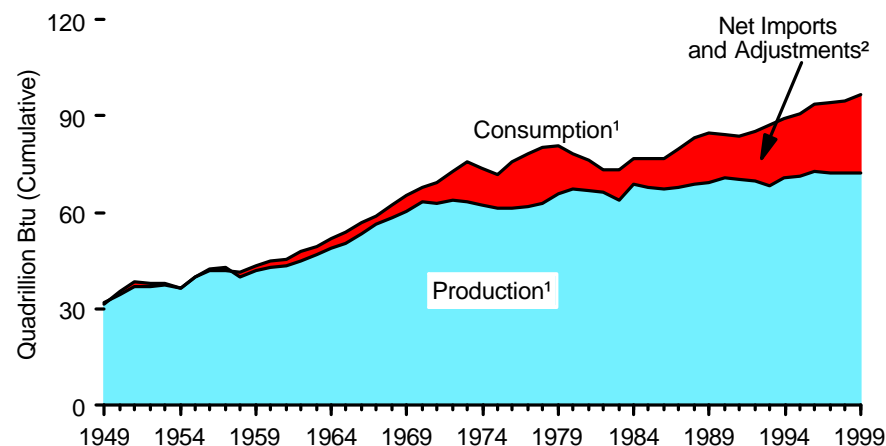

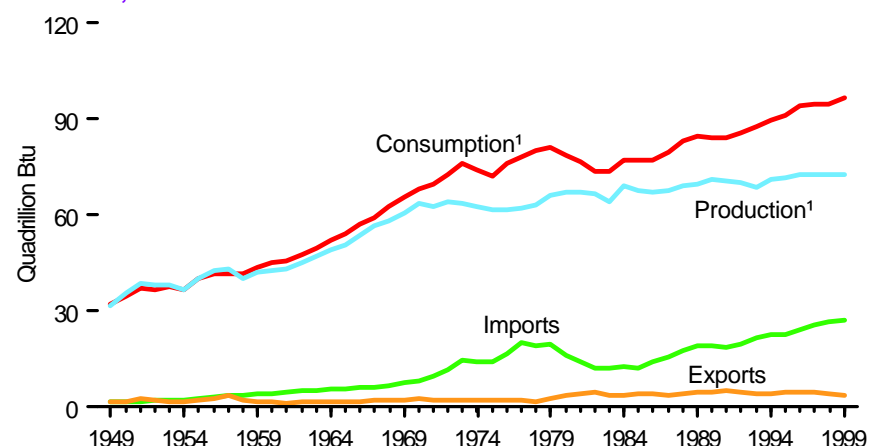

Figure 1.1 Energy Overview

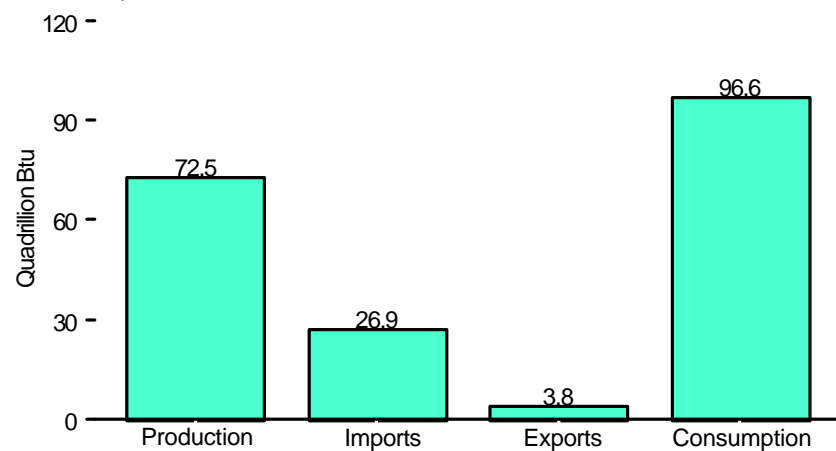

Overview, 1949-1999

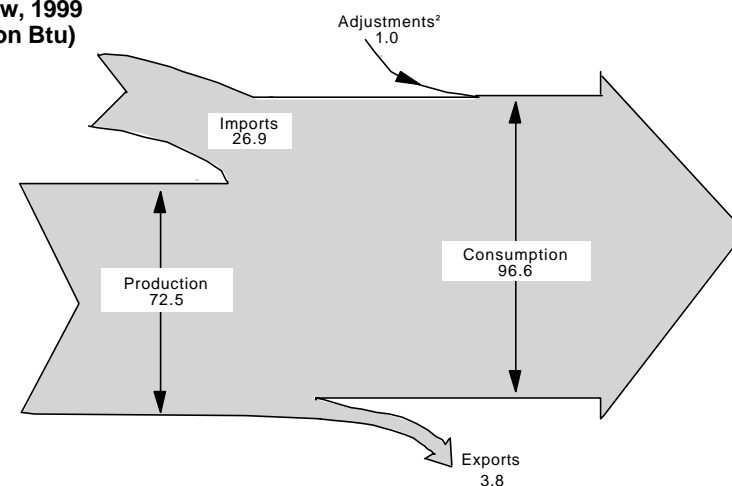

Overview, 1949-1999

Overview, 1999

**Energy Flow, 1999
(Quadrillion Btu)**

¹ There is a discontinuity in this time series between 1988 and 1989 due to the expanded coverage of renewable energy beginning in 1989.

² Stock changes, losses, gains, miscellaneous blending components, and unaccounted-for supply.

Note: Data for 1999 are preliminary.
